

<i>Criteria for Curb Appeal</i>	MARVIN		MARVIN INTEGRITY		MARVIN INFINITY Fiberglass
	Wood Int/Ext	Clad Aluminum Ext. (Next Generation)	Wood Int, Fiberglass Ext	Fiberglass Int/Ext	
Casing style	Most Marvin casing styles must be avoided. Choose these two options only! Flat Casing Flush with Sill Nosing OR Flat Casing Ranch Style with Sill Nosing				1 piece unit
Sash only. Use existing casing	custom sash to fit	No	No		
Sash and Frame. Use existing casing	This window will work well with your existing casing or a new custom built casing.	Yes you can but don't do it for you will see lip of frame.	Yes you can but don't do it for you will see lip of frame.		
Sash, Frame (jamb) and new casing	Marvin offers a large assortment of narrow wood casings. Do not choose a casing under 4.5". A 5" and custom casings are available	Many narrow casings available. The only clad casing is the "Potter Part 2" which is 4.5". No custom casings.	Unfortunately all casings offered are only 3.5"		
Sash vs Casing color	can be painted correctly	Sash can be one color and casing/frame a 2nd color	must be all one color to be correct		
Window lights	TDL	SDL	SDL		
Customizing	customizing available	No customizing	No customizing
